PROFILE

Experienced project manager with 2+ years of experience, now embarking on a software development career, showcasing a dedication to continuous learning, adept problem-solving abilities, and strong multilingual communication skills.

EMPLOYMENT HISTORY

Engineering Project Manager, Amazon

United Kingdom

Nov 2020 — May 2023

- Overseeing the delivering of objectives to strict deadlines, under budget, and according to Amazon specifications
- Project planning, tracking and reporting, creating key milestones and performance indicators
- Supervision of installation and commissioning of the Amazon Fulfilment Centre's material handling equipment
- Communication and coordination with the Design & Construction, Robotics, General Contractor, Operations teams and vendors across the project
- Evaluation of supplier quotations in preparation for purchase order

Bachelor's Degree Candidate, Ingenieurbüro Pfeffer

Germany

Jul 2020 — Dec 2020

Topic of dissertation: Flow analysis and optimisation of Hydropower Plant inlets using Computational Fluid Dynamics (CFD) simulation.

Intern & Working Student - Project Management, Continental AG

Germany

Mar 2019 — Feb 2020

- Assisted in controlling the project budget by evaluating and analyzing R&D costs monthly
- Supported by obtaining cost estimates for offers of up to 15 projects
- Supported with reporting, checking deadlines and documentation
- Developed and optimised macros using VBA for the monthly R&D analysis
- Keep track of each project's accruals and payments
- Successfully collaborated with the sales teams on new strategies which resulted in a 10% increase in the workflow
- Implemented project lifecycle management processes to ensure project requirements were documented and tracked throughout the project.

EDUCATION

Skills Bootcamp in Software Development, Just IT

United Kingdom

Nov 2023 — Feb 2024

HTML, CSS, JavaScript, jQuery, Python, MySQL, MongoDB, Bootstrap, NodeJS, expressJS, GitHub, APIs, JSON

Time Management

Ability to Multitask

Communication Skills

Microsoft Project

Asana

ANSYS Fluent

Autodesk AutoCAD

Solide Edge

Catia V5

B.Eng. Mechanical Engineering, OTH Regensburg University of Applied Sciences Germany

Oct 2017 — Jan 2021

Graduated with High Honours

B.Eng. Mechanical Engineering, Darmstadt University of Applied Sciences Germany

Oct 2016 — Aug 2016

- Year abroad, Exchange Program (Paraguay - Germany)
- DSH German Language Proficiency Test Certification

Diplom Electromechanical Engineering, National University of Asuncion Paraguay

Jul 2013 — Jul 2016

I have completed 6 out of 10 semesters (not completed)

AWARDS

Germany Scholarship "Deutschlandstipendium"-German Federal Ministry of Education and Research Germany

Oct 2018 — Sep 2019

Short-term Scholarship, Darmstadt University of Applied Sciences Germany

Apr 2017 — Jul 2017

Abroad Scholarship, Gesellschaft zur Foederung des technischen Nachwuchses Darmstadt e.V. (GFTN) Germany

Oct 2016 — Feb 2017

EXTRA-CURRICULAR ACTIVITIES

Member of the "Dynamics e.V" Formula Student Team of the OTH Regensburg University Germany

Mar 2019 — Oct 2019

Aerodynamics Sub-team

Member of the Mentoring Program of the OTH Regensburg University Germany

Oct 2018 — Feb 2019

Mentoring three new mechanical engineering students

CERTIFICATIONS

CSCS Card Academically Qualified Person London

Mar 2022

Issued by CITB. Expires end MAR 2027

IOSH Managing Safely London

Sep 2022
